### Consent to Dental Treatment

I understand that dental treatment involves professional assessment and may include procedures such as examinations, X-rays, cleaning, fillings, extractions, and other treatments as deemed necessary by my dentist.

I understand that all treatment options, risks, and costs will be explained to me before any procedure is commenced, and that I have the right to decline any recommended treatment.

I understand that any surgical or invasive procedure carries risks, including but not limited to pain, swelling, infection, and bleeding. These risks will be discussed with me prior to any such procedure.

I confirm that the information I have provided in my patient registration and medical history forms is accurate and complete to the best of my knowledge. I will inform the practice of any changes to my health or medications.

### Privacy and Collection of Personal Information

Sienna Smiles collects personal and health information for the primary purpose of providing dental care. This information is handled in accordance with the Australian Privacy Principles under the Privacy Act 1988 (Cth).

Your information may be shared with other health professionals involved in your care, health funds for claims processing, or as required by law. Your information will not be disclosed to any other third party without your consent.

You have the right to access and request correction of your personal information. For any privacy-related enquiries, please contact us at info@siennasmiles.com.au or call 08 9455 1234.
